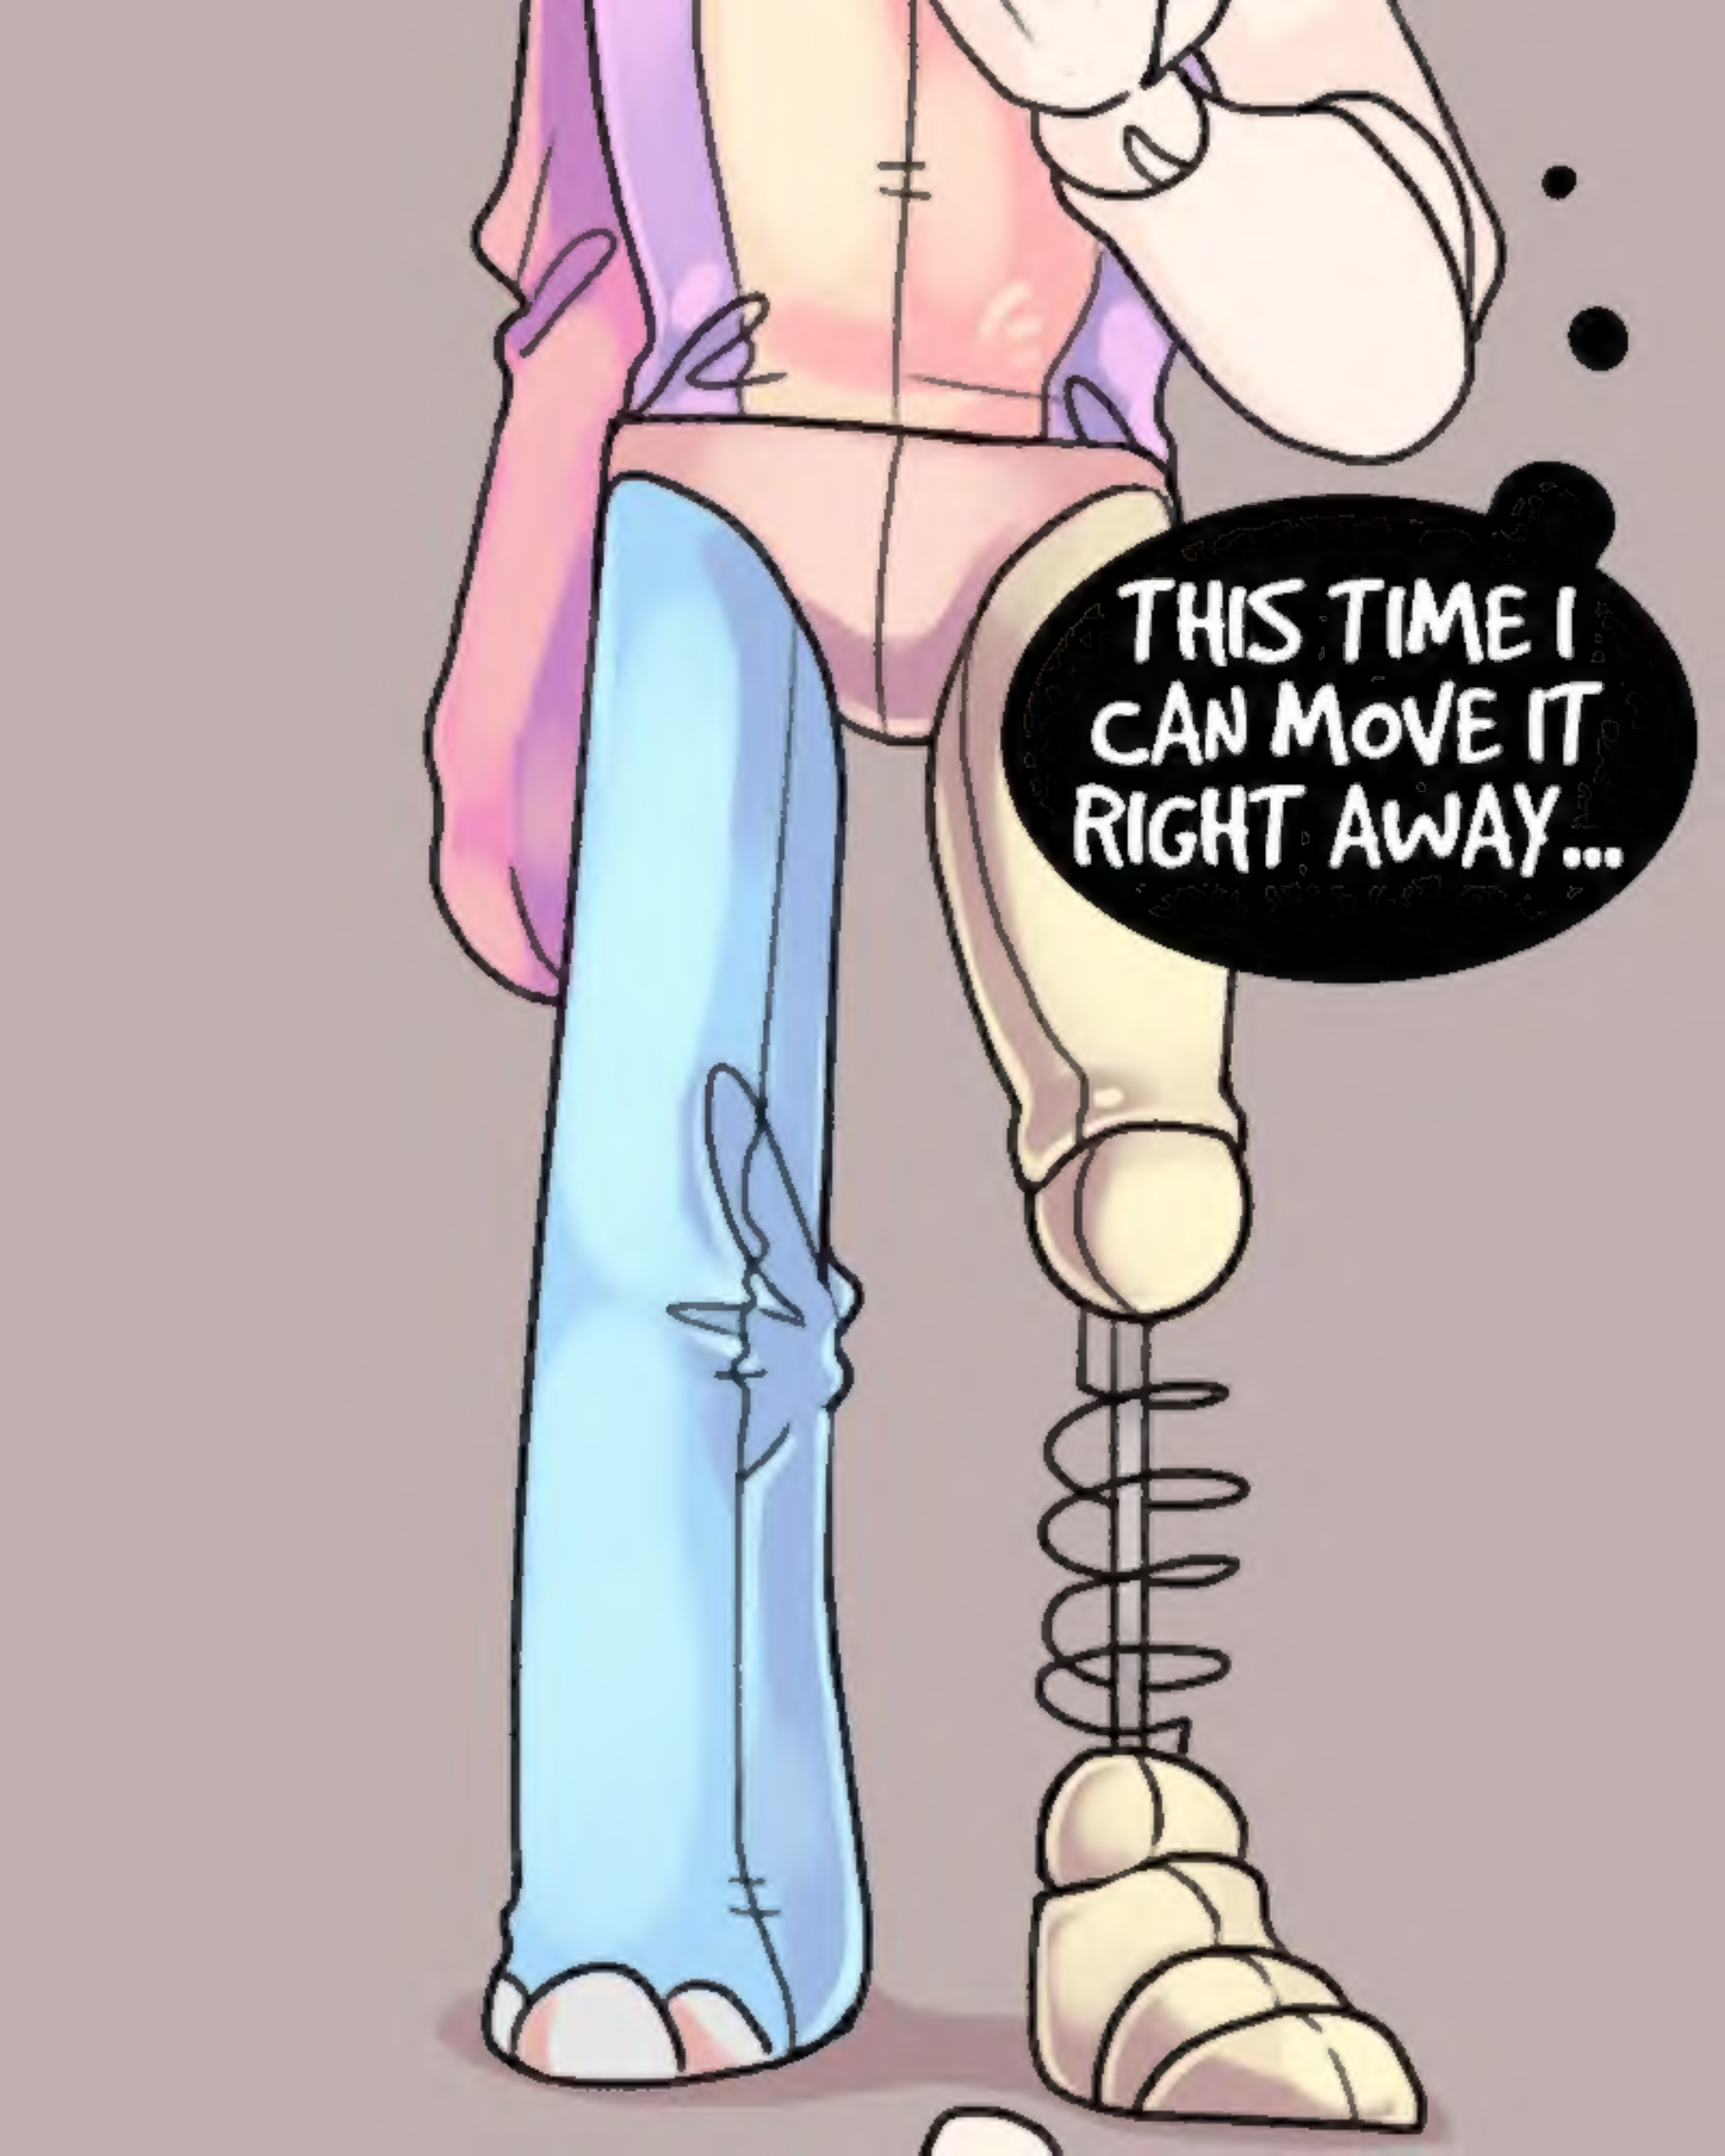
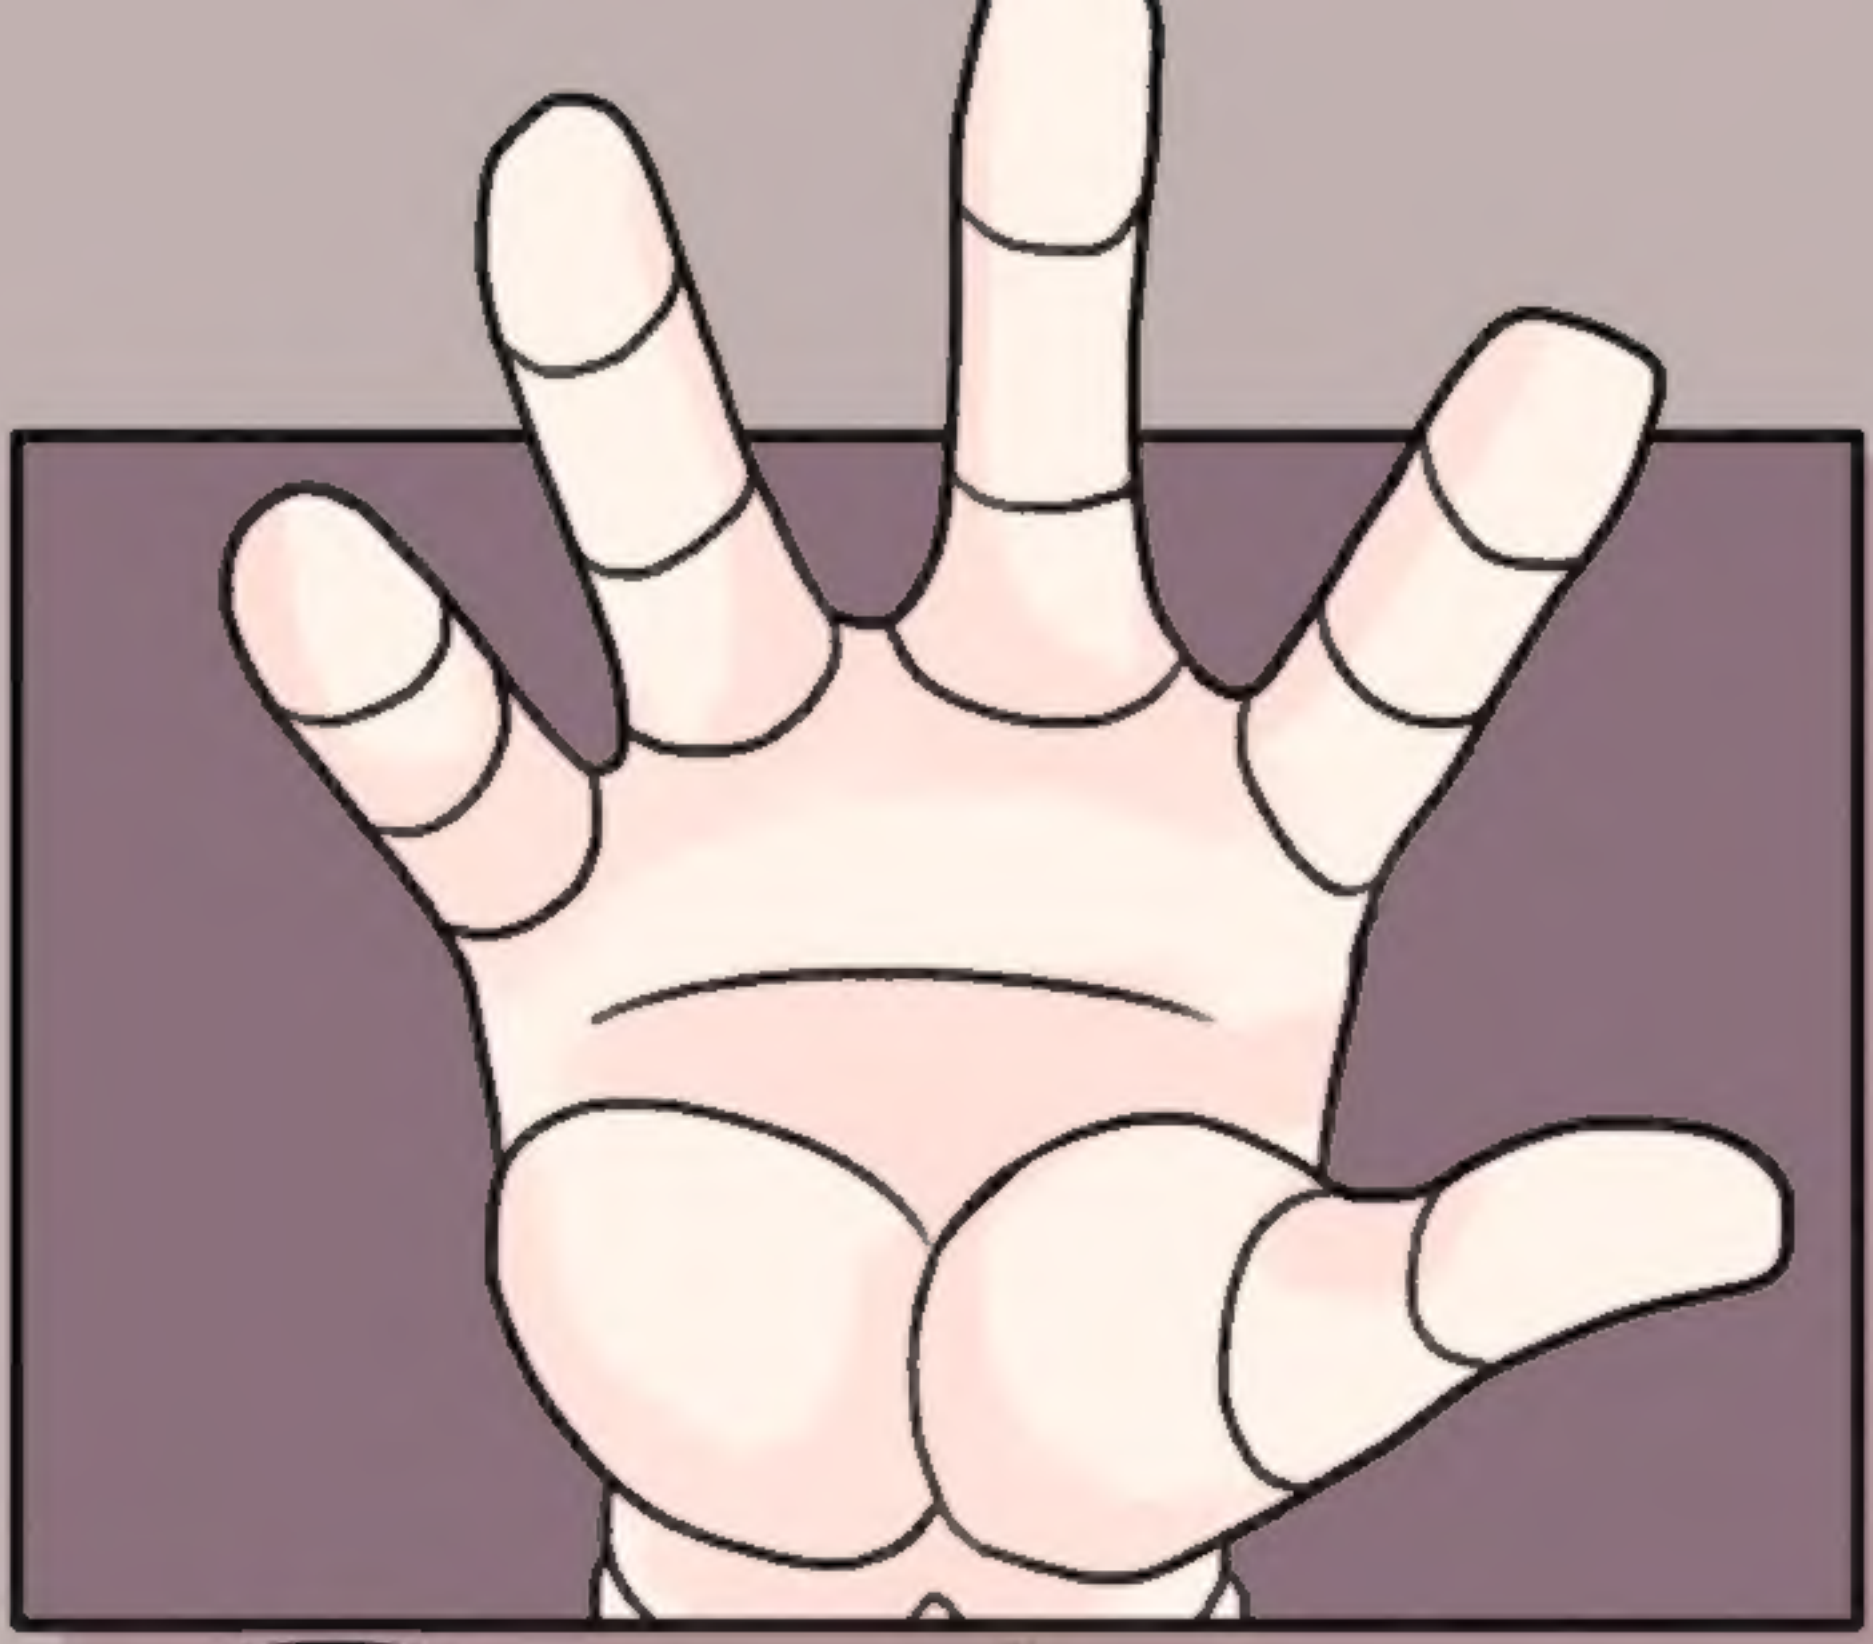
...AND WE'RE DONE!

WHAT DO YOU THINK?



THIS TIME I CAN MOVE IT RIGHT AWAY...



IT'S FINE, I SUPPOSE.

UH, YOU UNGRATEFUL, LITTLE-

SAY...

IS IT POSSIBLE TO CONTROL PARTS WHILE NOT EVEN TOUCHING THEM?

HM?

SURE.

I MEAN, IT'S PRETTY HARD...

BUT I'M PRETTY TALENTED SO-

CATCH!

EH?!

IT'S NOT POSSIBLE WHILE IT'S TOO FAR AWAY, BUT STILL.

ARE YOU GETTING INTERESTED IN BODY CONTROL?

A LITTLE...

BACK THEN THAT HAND MANAGED TO CONTROL SO MANY THINGS AT THE SAME TIME...

HOW COME, EVEN WITH IT ATTACHED, I CAN BARELY CONTROL MY OWN BODY-

AM I LESS TALENTED

THAT MY OWN HAND?

DOES IT EVEN MAKE SENSE?

?

WELL...

LUCKILY FOR YOU, OUR NEXT STOP IS FILLED WITH BODY CONTROL EXPERTS!

REALLY?

WHERE ARE WE GOING?

To THE CIRCUS!
